Providing the Special Educational Needs and Disabilities Information, Advice and Support Service (SENDIAS) for Bristol, North Somerset and South Gloucestershire

Supportive Parents provides the Special Educational Needs & Disability Information, Advice and Support (SENDIAS) Service in Bristol, North Somerset and South Gloucestershire.

We provide free, confidential and impartial advice to children, young people and their parents about SEND.

We ensure that the views and experiences of children, young people and their parents inform policy and practice. We raise awareness of SEND issues, processes and procedures.

We promote and maintain good partnership working between children and young people, their parents and carers, professionals, the local authority and health. Professionals can use SENDIASS to improve SEND knowledge, local issues and participation.
